Host Sister

Each international student studying at SWU for more than a semester is assigned a “Host Sister.” A Host Sister is a student volunteer that helps international students’ school life. Host Sister will support students upon arrival, including assisting with necessary registration procedures at the local ward offices, opening a bank account, etc.

Host Family

For students who wish, we match them with a “Host Family.” A Host Family will provide students with the chance to experience the typical lifestyle of a modern Japanese family. Students will enjoy spending quality time together. Host Family will welcome each student to their home and go out on weekends occasionally.

Language Exchange and Conversation Partners

For students who wish to improve their Japanese, SWU offers a one-on-one language exchange and/or conversation partner, depending on the students’ needs. Japanese students who volunteer to be language exchange and/or conversation partners will help students with typical Japanese phrases useful in everyday life.
